## Chapter 1 by Hailey Johnson

Never trust a mirror  
It only shows your skin  
And if you think that decides your self work  
Its time you looked within  
You try to hide your pain  
With a smile and a lie  
Though deep within your broken soul  
You'd rather die than be alive  
I witness your self destruction  
I always wonder why  
You see nothing but darkness  
Though there are galaxies within your eyes  
Well I guess that I'd forgotten  
When I failed to see your cracks  
That stars shine their brightest  
When they're beginning to collapse

Nobody sees me  
But everyone fears me  
I'm only a girl  
Stuck in a faraway place  
So, so far, but so, so close  
You look at me everyday  
But you never see yourself  
You see a beautiful lie  
A lovely deceit  
You never see the monster within you  
Come now, to an endless world  
To a world full of impossible forevers  
Where the evil flourish  
And the true perish  
To an endless world  
Full of nothing but nevers in disguise
